### **NSE Emerge lists 100th SME**

With the listing of ANI Integrated Services, the number of companies on the Emerge, the dedicated NSE platform for small and medium enterprises hit the 100-level mark yesterday. Commerce minister Suresh Prabhu, who was at the NSE to celebrate the 100th listing, said, "the SME sector is the backbone of the economy and this sector, if extended the right support, has the potential to contribute significantly to the country's growth."
