Chairman's Message

Our shared sense of purpose with commitment towards our clients have paved the way to our resilient growth and success

Dear Shareholders,

At the outset, I feel extremely proud to inform you all that your company has completed 30 years of its journey in this dynamic industry. With every passing year, our commitment to the success of our clients and our resolution of integrity has only been reinforced. Our motivation is founded on generous guidance and warm support of our clients who have always accepted our ambitious aspirations and help us execute and achieve our end results through a well-built strategy.

ANI is counted amongst the prominent organizations to provide tailor-made industrial and technical manpower solutions to the organized sectors based on their complex industry needs. Our inherent strength is Manpower resources with appropriate skill sets for high-end technical jobs, as per industrial requirements.

In the current scenario of stemming risk and uncertainty arising from the global pandemic COVID-19 that has bound us indoors, we could drive success in achieving our organizational goals by adopting a new virtual working style. We were solely able to progress with relentless support and constant participation of our employees and shareholders in this challenging times.

During FY 2019-20, though our overall profitability has been affected due to our

investments made in setting up the Detailed Engineering Centre and Overseas business set up but despite that your company has registered a growth of 41% by achieving a total revenue of INR 106.99 crores against INR 77.28 cores during the preceding financial year.

We expect to continue rising on our growth momentum and hope to maintain the turnover during the current fiscal year. However, the margins are expected to remain under pressure due the challenging economic environment and the ongoing Pandemic conditions. Despite that we would like to reiterate that our employee's safety and well-being remains to be our utmost priority during this challenging era.

ANI constantly focuses on effectively dealing with the challenges by strengthening our capabilities and by focusing on better productivity and digitization, which will help us result in long term margin expansion and steady growth.

We are truly grateful to all our shareholders, valued customers, business associates who have always been supportive and have shown immense trust in us.

Wish us Luck
Navin Korpe
 Chairman and Managing
 Director

Management Discussion & Analysis

1. Global Economy

Y2020 witnessed as the year of global economic meltdown across the world. The epidemic COVID-19 has delivered an enormous global shock, leading to steep recessions in many countries. The International Monetary Fund (IMF) expects the global economy to contract by 4.9% in 2020 (World Economic Outlook, June 2020). While the ultimate outcome is still uncertain, the pandemic has resulted in contractions across the vast majority of emerging market and developing economies. It has triggered lasting scars through multiple channels including lower investment, erosion of human capital of the unemployed and a retreat from global trade and supply linkages. These effects may well lower potential growth and labour productivity in the longer term.

During this challenging times, governments and central banks across the world have responded to the pandemic crisis proactively. The immediate policy priorities are directed to alleviate the human costs and attenuate the near-term economic losses. It is imperative for countries to collectively resolve their trade disagreements and the resulting high policy uncertainty, rather than raising harmful barriers further and slowing down already sluggish global economy. Further, in light of the vast array of liquidity and fiscal support extended by the banks, we assume the pandemic will fade in second half of 2020 and global economy is projected to be back on trajectory with growth rate of 5.4% in 2021 as economic activity normalizes. (according to IMF and World Economic outlook June 2020). Once the crisis abates, it will be necessary to

reaffirm a credible commitment to sustainable policies and undertake the reforms necessary to buttress long-term prospects. Global coordination and cooperation will be of prime importance.

2. Indian Economy

The Indian economy is one of the rapidly growing emerging economies and has risen to become the world's fifth largest economy when ranked by nominal GDP. Owing to fresh challenges imposed by the COVID-19 pandemic along with the other global and domestic factors, India's GDP growth rate slowed down to 4.2% in FY 2019-20. Stringent measures such as Nationwide Lockdown, to control the spread of the virus and spill-overs from weaker global growth and balance sheet stress in the financial sector has heavily curtailed activity and created turbulences.

The Government of India and the Reserve Bank of India (RBI) have acted swiftly to help offset the disruptions. The government focused on long term structural policies to encourage investment and job creation, while the RBI offered support with monetary policies to cut rates and push out liquidity to the real economy. Fiscal as well as monetary stimulus have been introduced by the government such as the INR 20 lakh crore relief package. These measures and policy reforms are expected to curb this slowdown and accordingly the Indian economy is projected to grow by 6% in 2021.

3. Technical Staffing Solutions

The staffing solutions industry is closely correlated with GDP growth, the stronger the economy, the higher is the progress in the staffing market. However, there are other important grounds as well that creates a major impact on the industry. In the current era, across the world, businesses were undertaking many changes but this epidemic crisis now made it imperative for the companies to hasten the transformation for their survival and existence in the market. Disruption and uncertainty caused by a pandemic required businesses to serve new and unforeseen types of demand, new clients and global markets. From standpoint of workforce management, FY 2020 will be marked as the year of emergence of online staffing platforms. With supportive technologies and Business Continuity Plan framework, virtual, remote and distributed work models have become mainstream work environment. In extension to that we noted boost in leveraging technology and virtual modes for onboarding, induction and training of the workforce as well. Digital transformation strategies continue to take shape as automation pervades the industry. Talent companies globally is using Data analytics and Artificial Intelligence (AI) to facilitate recruitment which is bound to be a strong ally of staffing firms when it comes to addressing issues like unconscious bias, data crunching, and hiring the best fit. Hence, every technical staffing and recruitment organization needs to understand and explore the opportunities that digitization brings.

Outsourcing in India has grown to an extraordinary level and is poised to make a giant leap in future. According to Staffing Industry Analysts, the industry is projected to grow by 10% in CY 2020. As per Economic survey 2019-20, by integrating "Assemble in India for the world" into "Make in India", India can create 4 crore well-paid jobs by 2025 and 8 crores by 2030. According to Indian Staffing federation records, India's flexible workforce growth is expected to accelerate at 22.7% between 2018-2021. Higher compounded annual growth rate for flexi-staffing spells good tidings on the related space. In Budget 2020 proposed by Indian Finance Minister, it was stated that by 2030 the working age population of India will be the largest in the world. The millennials – belonging to the age bracket of 18-35 years contribute to nearly half of country's working population, efforts should be made to sufficiently equip these people with skills that enable them to become creators of future of India. Also reviving and increasing participation of Indian women at the workplace and ensuring safety is equally crucial for the for the growth of our economy. Providing job opportunities and ensuring continued jobs for all in a world of disruptive changes will be paramount for which skill development and re-skilling will be important. Further initiatives made in direction

of planned infrastructure is expected to result in new job opportunities in construction as well as operation & maintenance of assets and facilities developed for which skill development will be a key requirement for successful implementation. Based on these analyses we do project India's technical staffing sector to emerge and grow for fulfilling all industrial requirements.

4. Company Overview

The Company has over 30 years of experience in delivering industrial solutions to the organized sector. ANI is continuously adding value by providing technical staffing solutions, qualified engineers to various verticals like electrical-instrumentation services, erection & commissioning, operation & maintenance, instrument calibration, plant shutdown, equipment services & support for OEMs, airport maintenance etc. ANI is best reckoned among manpower outsourcing agencies supporting temporary staffing into diversified Industries like EPC companies, power plants, oil & gas, refineries, chemicals & petrochemicals, pharmaceuticals, cement, FMCG, breweries, fertilizers, hospitality, construction, infrastructure projects and F&B sectors, metals, airports etc. These services are highly effective and affordable.

As a value addition to the existing services they also provide Manpower Outsourcing Support for project management services, construction, supervision, electrical testing & commissioning and temporary staffing services to all kind of industries. These services are timely executed as per the varied demands of customers globally. Our clients appreciate our excellence in execution and our ability to integrate innovation as required.

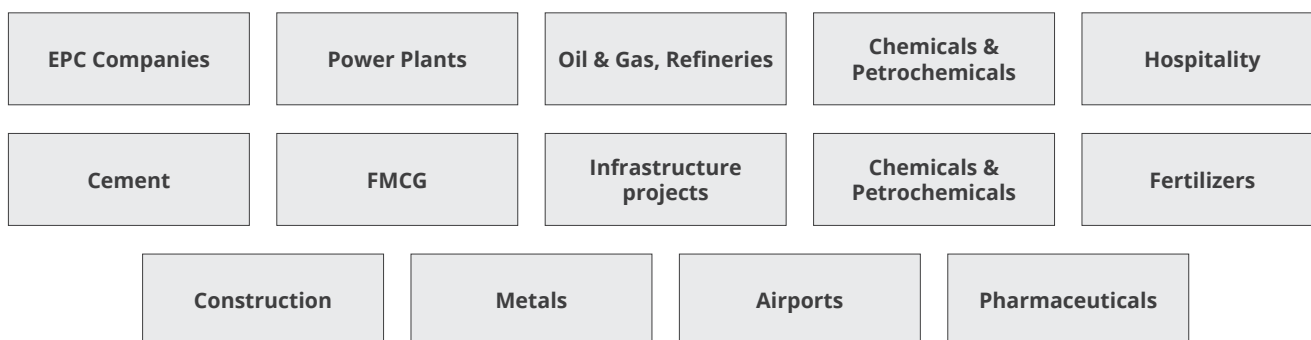

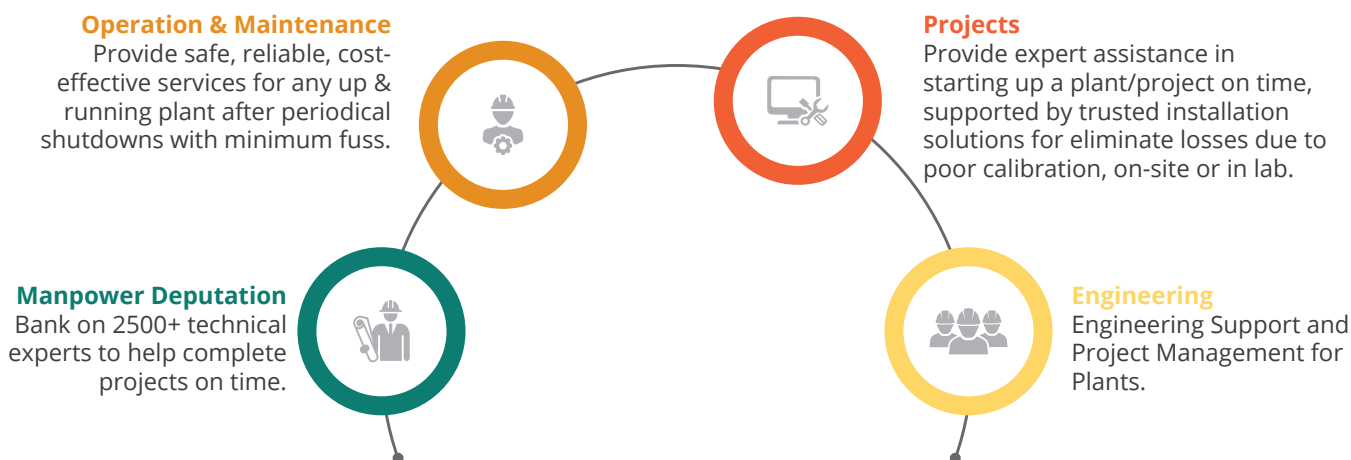

It has leveraged its track record in India to successfully expand its operations internationally, and have provided a wide range of engineering services on various international projects, particularly in the UAE, Thailand and Saudi Arabia to esteemed clients like, Larsen & Turbo Limited, Tata Consulting Engineers Limited, Reliance Industries Limited, Nestle India Limited, Engineers India Limited, Mondelez India Foods Limited, GAIL (India) Limited, etc. ANI's inherent strength is Manpower supply into technical, skilled and unskilled staff with qualitative background.

ANI overall outsourcing remains on powerful momentum. Recruitment and replacement become easier with temporary staffing solutions. Flexi-outsourcing proves to be advantageous for both employees as well as employers, that ways companies have an option to recruit on a requirement basis, rather than on a permanent basis. Because of altering sector dynamics and increased penetration of flexi-outsourcing in India and overseas, ANI is at the cusp of experiencing greater development.

5. Service provider to various industrial requirements

One of the direct effects on businesses of an emerging business ecosystem has been on their requirements for talent. This has meant that in the years to come, the Indian technical staffing sector will have a greater role to play. It is essential that staffing agencies do a periodic gut check to understand client pre-requisites and accordingly

draft out detailed Talent acquisition plan by working in collaboration of the company. ANI is best reckoned among Manpower Outsourcing agencies supporting temporary staffing into diversified Industries. Our trained personnel work in direction to equip our clients with cost-effective staffing solutions that enhances productivity and efficiency as well maintaining compliance across skill sets.

6. Human Resource

Indian recruiting market has grown significantly. Indian businesses - domestic and multinational corporations have resorted to the idea of temporary hiring and have started outsourcing to numerous technical service providers or employee firms. Manpower is now providing business solutions to clients. Under the prevalent manpower model, servicing providing companies studies client business and then trains those on their payrolls in the same to work on software that their candidates will be required to work with. Also, Contract-to-hire models are being utilized by larger brands to test the talent of the professionals before boarding them. Today, after China and the US, India has

the world's third largest contract manpower workforce. Service providing companies have the instruments, resources and connections they need to find the most suitable talent for an organization. Discovering high-skill talent can be very difficult within a brief period of time and within a defined budget, but manpower services firms can readily source such applicants from their current talent pool.

Our people have always been our most valued resource and their development is our prime focus. We enrich our employees' knowledge and skills with continuous on the job in-house and external trainings and boost their morale

& performance through employee engagement activities like Rewards and Recognition, Family Connect Program, Sports Activity & Town Hall meetings etc.

7. Research & Development

Technologies in the staffing world is growing at break neck speed, forcing component manufacturers to offer high level of technical skills. ANI's team continuously stay abreast with the latest developments & works to provide solutions for the new challenges. Our efforts in this direction has gained an unsurpassed reputation amongst our clients and helped us gain an extra edge over the competitors in this volatile market. Team has developed various processes for servicing its customers across the globe to meet enhanced requirements. These represent the cornerstones of our business and has led us open new avenues for business growth both in India and overseas markets.

8. Risk Management

In the current epidemic situation, the major risk pertains to probability of outbreak of COVID-19 within company premises as well as impacting employee safety and well-being, with that government's-imposed restrictions on physical movement of employees thereby might also impact business operations. Also considering the changing economic dynamics, it may not be easy to find the right resource for the job although there are many job market vacancies. This availability of the right resources becomes a company challenge unprecedented. The legislation on personal data security is becoming more restrictive as both the company and the client can be at stake without appropriate safeguarding of personal information. Violation of clients' Intellectual Property rights or breaches of third-party confidential information agreements imposes serious concerns on company's credibility and business. New and complex regulations can expose businesses to a greater danger of non-compliance, resulting in potential allegations, fines, company suspension and reputational harm. Technological disturbance and associated Information and cyber security risks threatens to shift the traditional business model of recruitment and outsourcing. The Company's day-to-day activities can also be affected by deviation from normal processes, absence of automation, input and invoice mistakes, etc. Geo political risks arising out of entering int contracts in a new country poses serious concerns on company's expansion goals. People are the company's most significant asset, and talent in

a competitive industry is difficult to get through. Failure to attract, create and maintain the correct individuals or even make timely partnership payments could have an adverse effect on the activities of the company including its brand image.

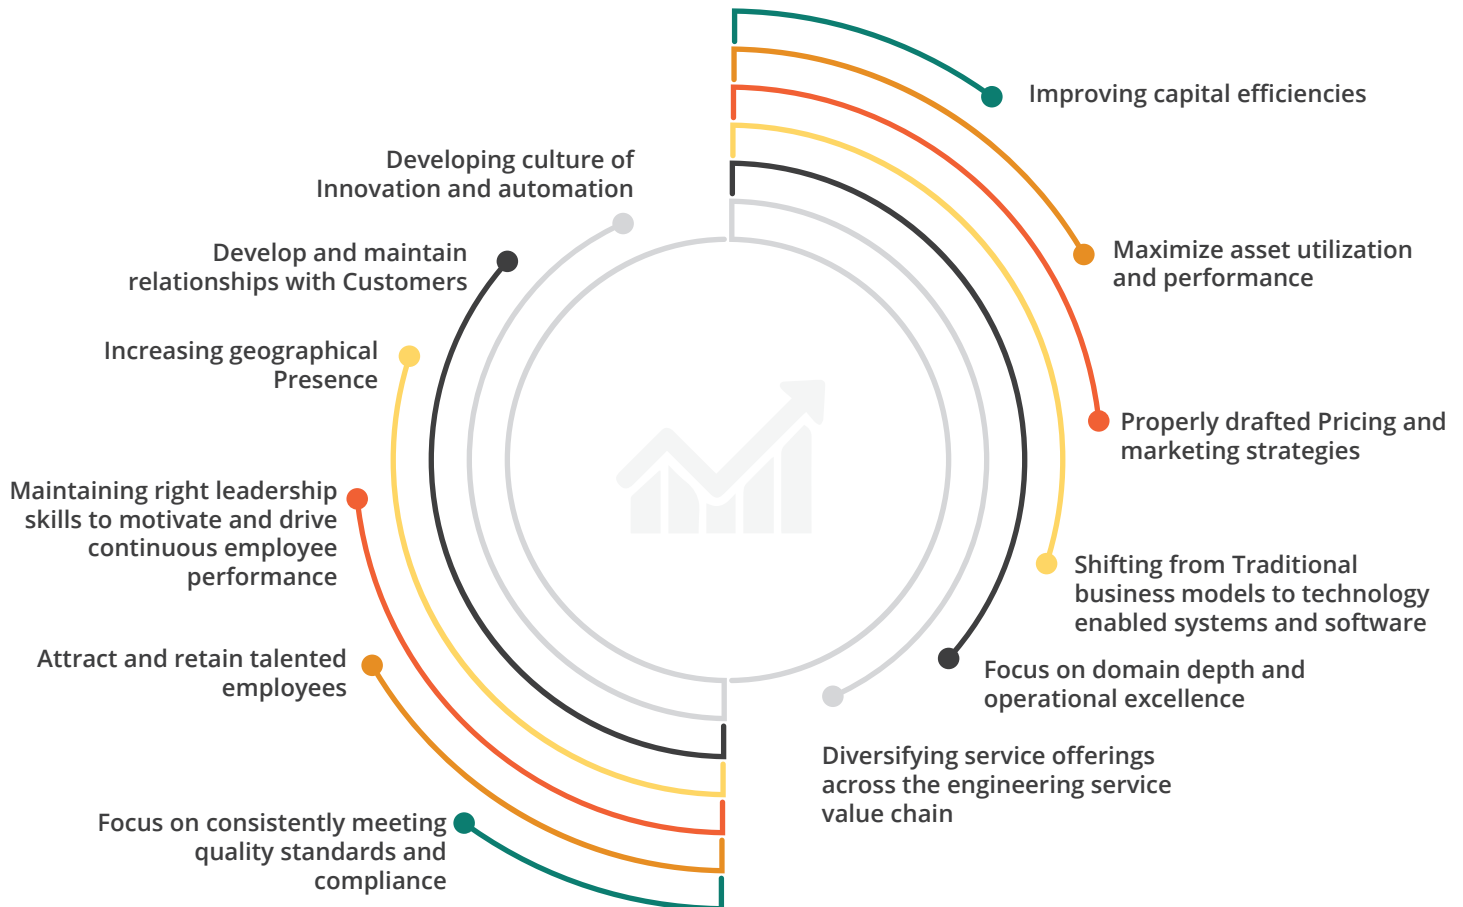

Mitigation:

Inherent business risks are resolved keeping company's Risk Management Policy as base. The objective of which shall be identification, evaluation, monitoring and minimization of identifiable risks as well proactively manage uncertainty and changes in the internal and external environment to limit negative impacts and capitalize on opportunities. Framing, implementing and monitoring the risk management plan for the company falls under the purview of the management.

Further the company is focused to set the new industry standard for service delivery by adopting technology and digitalization. In this pandemic situation, we have opted towards virtual and remote work environment that has helped us to successfully meet our client deliverables as well maintain business continuity while simultaneously abiding by government's nationwide restrictions. In order to attain higher customer satisfaction and income development, local companies have the autonomy to react to changing market circumstances. Successful talent management enriches quality and strengthens loyalty of employees. Improved potential for data protection and compliance with appropriate legislation and regulations, reinforce applicants and customers' confidence in the service level of the Company. Appropriate measures and feasibility checks are being taken to provide uninterrupted high-quality services to the clients at all geographies.

In addition, regular training and exposure decreases worker likelihood of being exposed to unfavorable working circumstances and increases awareness, workplace satisfaction and reputation of individual and company as a trusted partner. Enhanced safety capacities protect the information assets of the Company, including candidate data, and guarantee continuous service delivery to all customers. We have also strengthened our systems to strengthen personal data governance from controllers' outlook as well. This improves the trust of customers in the business and team. Having large reputed corporates including public sector companies, and MNCs help in reducing the financial risk to the Company. Alongside initiatives are also made for early detection and redressal of any operational or financial risk arising to the company.

INDEPENDENT AUDITOR'S REPORT

TO,
THE MEMBERS OF **ANI INTEGRATED SERVICES LIMITED**

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the standalone financial statements of **ANI INTEGRATED SERVICES LIMITED (Formerly Known as ANI INSTRUMENTS PRIVATE LIMITED)** ("the Company"), which comprise the balance sheet as at 31st March 2020, and the statement of Profit and Loss, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.(hereinafter referred to as the "standalone financial statements.")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss and its cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor's Responses
1	Recognition and measurement of revenues of ongoing contracts: The recognition and measurement of revenues of ongoing contracts and revenue which is unbilled involves certain key judgments relating to measurement, documentation and certification of such measurements, identification of milestones and compliance related obligations. Refer Note 2(viii) to the financial statements	Principal Audit Procedures: Our audit approach was a combination of test of internal controls and substantive procedures which included the following: <ul style="list-style-type: none">• Evaluated the design of internal controls relating to recording of revenues at each period end as per contract terms.• Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to identification and recognition of revenues.

Sr. No.	Key Audit Matters	Auditor's Responses
		<ul style="list-style-type: none"> Reviewed a sample of contracts with unbilled revenues to identify appropriateness of revenue recognition as compared to the certified documentation by customers. Performed analytical procedures and test of details for reasonableness of recognition of revenues and its corresponding costs.

4. Emphasis of Matter

We draw attention to Note No.35 of the Standalone Financial Statements, wherein the Company has disclosed its assessment relating to Covid 19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a going concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact. We have nothing to report in this regard.

6. Responsibilities of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Report on Other Legal and Regulatory Requirements

As required by Section 197(16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions laid down under Section 197 read with Schedule V to the Act.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. (Refer note no. 34(a) in Standalone Financial Statements)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There are no amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE - B

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ANI INTEGRATED SERVICES LIMITED (Formerly Known as ANI INSTRUMENTS PRIVATE LIMITED)** ("the Company"), as of 31 March, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and error, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance

regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

globally. Consequent to the lockdown/restrictions by the Central and State Governments to tackle COVID-19 pandemic, the project sites at various locations were temporarily closed from last week of March 2020 to May 2020. Deputation and O&M services continued to serve its customers falling under essential services and continuous process plants, based on their requirements and operation levels. The lockdown/restriction have since been relaxed to various degrees. The company is carrying its operations in line with the statutory guidelines, following all required safety and sanitary norms.

- b) The Company considered the possible effects of COVID-19 on the carrying amounts of Property, Plant and Equipment, Investments, Trade receivables and other Current Assets of the Company and group. Based on the current estimates, taking into account external and internal information that are available up to the date of the approval of the financial results, the Company expects the carrying amount of these assets to be recovered and believes that there is no impact on its ability to continue as a going concern. The Company would continue to closely monitor any material changes to future economic/business conditions.

SIGNIFICANT ACCOUNTING POLICIES:

1. General Information

Ani Integrated Services Limited (the “Company”) is engaged in the business of manpower deputation to the organized sector for providing engineering services, Erection and Installation of Electrical / Instrumentation / Mechanical Turnkey Projects, Operation and Maintenance, Commissioning Assistance and Shutdown services.

The company has been converted into a Public Limited company and has changed its name from ANI Instruments Pvt. Ltd. To ANI Integrated Services Limited and obtained a fresh Certificate of Incorporation dated 28th September 2017. The equity share of the Company got listed on National Stock Exchange of India Limited (“NSE”) on the NSE Emerge (SME) platform w.e.f. 20th November 2017.

2. Summary of Significant Accounting Policies:

i. Basis of preparation:

The financial statements have been prepared in accordance with the generally acceptable accounting principles in India under historical cost convention on accrual basis. Consequently, these statements have been prepared to comply in all material respect with the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

All the assets and liabilities have been classified as current and Non-current as per the company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and time between acquisition of assets for processing and realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

ii. Use of Estimates:

The preparation of financial statements in conformity with generally accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

iii. Property, Plant and Equipment – Tangible Assets:

Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. Depreciation is calculated on the Written-down Value (WDV) method over the estimated useful lives of the assets. The residual value of all assets is assumed 5% based on historical trend of the Company.

Name of the asset	Useful life
Computers	3 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
Plant and Machinery	15 Years
Vehicles	8 Years

SIGNIFICANT ACCOUNTING POLICIES:

iv. Intangible Assets:

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if any. Intangible assets are amortized on the basis of written down value method over their estimated useful lives. A rebuttable presumption that the useful life on an intangible asset will not exceed ten years from the date which the assets is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each financial year end and if the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Name of the asset	Useful life
Software	3 Years

v. Impairment of Assets:

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible or intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash flows from other assets or groups of assets, is considered as a cash generating unit. If any such indicate exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Assessment is done at each balance sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

vi. Foreign Currency Translation:

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition:

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the statement of Profit and Loss.

vii. Revenue Recognition:

Revenue from Deputation Services is accounted on accrual basis on performance of the services agreed in the Contract / Mandate Letter between the Company and its Customer.

Revenue from Operation and Maintenance services is recognized on accrual basis upon execution of the service.

Revenue from Projects and Consultancy services is recognized on accrual basis upon completion of mile stone of projects.

Other Income

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

SIGNIFICANT ACCOUNTING POLICIES:

Interest on tax refunds is recognized on actual receipt of the refund money or on communication from Income Tax department, whichever is earlier.

Net Revenue excludes, Goods and Service Tax and other statutory levies.

viii. Employees Benefits:

Provident fund:

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity:

The Company's gratuity scheme (the "Gratuity Plan") is a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The Company's liability is actuarially determined (using the projected unit credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

ix. Current and Deferred Tax:

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profits or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forwards only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each balance sheet date, the company reassesses unrecognised deferred tax assets, if any.

INDEPENDENT AUDITOR'S REPORT

TO,
THE MEMBERS OF **ANI INTEGRATED SERVICES LIMITED**

Report on the Audit of the Consolidated Financial Statements

1. Opinion

We have audited the accompanying consolidated financial statements of **ANI INTEGRATED SERVICES LIMITED (Formerly Known as ANI INSTRUMENTS PRIVATE LIMITED)** ("the Holding Company") and its subsidiaries which comprise the Consolidated Balance Sheet as at 31st March 2020, and the Consolidated Statement of Profit and Loss, and Consolidated Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as the "consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, the consolidated loss and its consolidated cash flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matters	Auditor's Responses
1	Recognition and measurement of revenues of ongoing contracts: The recognition and measurement of revenues of ongoing contracts and revenue which is unbilled involves certain key judgments relating to measurement, documentation and certification of such measurements, identification of milestones and compliance related obligations. Refer Note 2(viii) to the financial statements	Principal Audit Procedures: Our audit approach was a combination of test of internal controls and substantive procedures which included the following: <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to recording of revenues at each period end as per contract terms. • Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to identification and recognition of revenues.

INDEPENDENT AUDITOR'S REPORT

Sr. No.	Key Audit Matters	Auditor's Responses
		<ul style="list-style-type: none"> Reviewed a sample of contracts with unbilled revenues to identify appropriateness of revenue recognition as compared to the certified documentation by customers. Performed analytical procedures and test of details for reasonableness of recognition of revenues and its corresponding costs.

4. Emphasis of Matter

We draw attention to Note No.35 of the Consolidated Financial Statements, wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of the assets of the Group on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation. Our opinion is not modified in respect of this matter.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibilities of Management for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

INDEPENDENT AUDITOR'S REPORT

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

7. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate evidence regarding the financial information of the entities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which are the independent auditors. For other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the

INDEPENDENT AUDITOR'S REPORT

planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements of our subsidiary, whose financial statements reflect total assets of Rs. 126.20 lakhs as at 31st March, 2020, total revenues of Rs. 197.23 lakhs and net cash outflow amounting to Rs.41.76 lakhs for the year ended on that date, as considered in the consolidated financial statements. “Annexure – A” TO THE AUDITOR’S REPORT

Referred to in Paragraph 9 of Our Report of Even Date Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our Audit of consolidated financial statements of the Company as of and for the year ended 31st March, 2020, we have audited the internal financial controls over financial reporting of **ANI INTEGRATED SERVICES LIMITED (Formerly Known as ANI INSTRUMENTS PRIVATE LIMITED)** (“the Holding Company”)

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and error, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

“Annexure – A” TO THE AUDITOR’S REPORT

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

The reporting under Section 143(3)(i) of the Act is not applicable to our subsidiary company as it is incorporated outside India.

The equity share of the Company got listed on National Stock Exchange of India Limited (“NSE”) on the NSE Emerge (SME) platform w.e.f. 20th November 2017.

The Company during the year 2019-20 invested into subsidiary company namely “Ani Integrated Services Middle East FZE”, UAE (the “Subsidiary”). The Company has 100% share in the said Subsidiary. The subsidiary company is primarily engaged into Engineering services and Engineering Projects and Consultancy and Commissioning Assistance business.

2. Summary of Significant Accounting Policies:

i. Basis of preparation:

The financial statements have been prepared in accordance with the generally acceptable accounting principles in India under historical cost convention on accrual basis. Consequently, these statements have been prepared to comply in all material respect with the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013.

All the assets and liabilities have been classified as current and Non-current as per the company's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and time between acquisition of assets for processing and realization in cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

ii. Principles of consolidation

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Company. The consolidated financial statements have been prepared on the following basis:

- (1) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. Intercompany balances and transactions and unrealized profits or losses have been fully eliminated.
- (2) In case of foreign subsidiaries, revenue items are consolidated at average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Any exchange difference arising on the consolidation is recognized in “Foreign Currency Translation Reserve”.
- (3) Profits or losses resulting from intra-group transactions that are recognised in assets such as inventory and property, plant & equipment, are eliminated in full.
- (4) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parents portion of equity of each subsidiary.
- (5) Non-controlling interest's share of profit/loss of consolidated subsidiaries (if any) for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.

SIGNIFICANT ACCOUNTING POLICIES FOR CONSOLIDATED FINANCIAL STATEMENTS:

- (6) Non-controlling interest's share of net assets of consolidated subsidiaries (if any) for the year is identified and presented in the consolidated balance sheet separate from liability and equity of the Company's shareholders.

iii. Use of Estimates:

The preparation of financial statements in conformity with generally accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

iv. Property, Plant and Equipment – Tangible Assets:

Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance.

Depreciation is calculated on the Written-down Value (WDV) method over the estimated useful lives of the assets. The residual value of all assets is assumed 5% based on historical trend of the Company.

Name of the asset	Useful life
Computers	3 Years
Furniture and fixtures	10 Years
Office equipment	5 Years
Plant and Machinery	15 Years
Vehicles	8 Years

v. Intangible Assets:

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment loss, if any. Intangible assets are amortized on the basis of written down value method over their estimated useful lives. A rebuttable presumption that the useful life on an intangible asset will not exceed ten years from the date which the assets is available for use is considered by the management. The amortization period and the amortization method are reviewed at least at each financial year end and if the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly.

Name of the asset	Useful life
Software	3 Years

vi. Impairment of Assets:

Assessment is done at each balance sheet date as to whether there is any indication that an asset (tangible or intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash flows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made.

Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value

SIGNIFICANT ACCOUNTING POLICIES FOR CONSOLIDATED FINANCIAL STATEMENTS:

in use is the present value of estimated future cash flows expected to arise from the continuing use of the asset and from its disposal at the end of its useful life. Assessment is done at each balance sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased.

vii. Foreign Currency Translation:

Initial Recognition:

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition:

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the statement of Profit and Loss.

viii. Revenue Recognition:

Revenue from Deputation Services is accounted on accrual basis on performance of the services agreed in the Contract / Mandate Letter between the Company and its Customer.

Revenue from Operation and Maintenance services is recognized on accrual basis upon execution of the service. Revenue from Projects and Consultancy services is recognized on accrual basis upon completion of mile stone of projects.

Other Income

Interest income on fixed deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Interest on tax refunds is recognized on actual receipt of the refund money or on communication from Income Tax department, whichever is earlier.

Net Revenue excludes, Goods and Service Tax and other statutory levies.

ix. Employees Benefits:

Provident fund:

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity:

The Company's gratuity scheme (the "Gratuity Plan") is a defined benefit plan covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The Company's liability is actuarially determined (using the projected unit credit method) at the end of each year. Actuarial losses/gains are recognized in the Statement of Profit and Loss in the year in which they arise.

SIGNIFICANT ACCOUNTING POLICIES FOR CONSOLIDATED FINANCIAL STATEMENTS:

x. Current and Deferred Tax:

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profits or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forwards only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each balance sheet date, the company reassesses unrecognised deferred tax assets, if any.

xiii. Cash and Cash Equivalents:

In the Cash Flow Statement, cash and cash equivalents includes cash in hand. Demand deposits with banks, other balances with banks.

xiv. Earnings per share:

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2: Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders/ Members' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL e-services i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Your User ID is: Demat (NSDL or CDSL) or Physical	
For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example , if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example , if your Beneficiary ID is 12***** then your user ID is 12*****.

5. Your password details are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
 - c) How to retrieve your 'initial password'?
 - i. If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8-digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - ii. If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

- b) Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
 8. Now, you will have to click on "Login" button.
 9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 are given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/ JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to scrutinizer@mmjc.in with a copy marked to evoting@nsdl.co.in.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990 or send a request to Ms. Sarita Mote at evoting@nsdl.co.in
